2020 State Content for ALS Renewals

Reports were given on the status of the content development for this project. Those not available for status updates: Bev Witmer (anaphylaxis), Jon Longest (EMS Health and Wellness), Danielle Joy (pediatric seizures). This content will be released May 1, 2020. The ALS Subcommittee will be asked to user test the courses prior to that release.

Brian Christopher - alternative destinations -plans to do a video reviewing the information with questions.

Diane Flint - transgender patients - working on a survey to gather information on the topic

Rae Oliviera/Chris Touzeau - sepsis - almost done creating the content outline

Gary Williams - capnography - will be giving an overview of capnography followed by other uses

Melissa for Angel Burba - patient technology - Johns Hopkins used to have a staff member who did patient education for devices. Plan to reach out to see if they are able to assist with the project.
