	Howard	X	Talbot		
	Montgomery	X	Worcester		Cecil

Call meeting to order at 0900 hours

**Roll Call**

**Additions/Corrections Approval of Minutes -**

Motion to approve the minutes by Matt Burgan, Second by Chris Truitt. Motion passed with unanimous consent.

**Old Business**

**Educational components-**

- Education Components: Rachael and Kevin - Google Drive - did not look like all the presentations had been done. What was shared on the google drive didn't seem to be up to date. Needs to be a priority for the new year per Chief Matz.
- Dr Chimar OSP update: January 11, 2023 Protocol meeting Frederick will be proposing the Bup pilot.
- Congratulations to Zach Yerkie on his promotion. Sergeant Andrew Hughes will be representing QA moving forward, Zach will still be involved.
- SB 295 Payment for MIH programs, Treatment on scene and State medicaid office is really the lead on the payment end of things working with the MCO's. The MCO's have been reaching out a bit aggressively. The pathway will be open but will be a rolling onboarding for those who are working on billing. Queen Anne's has 13 MCOs that are being sent to the billing company then if they do not have any issues then it would be pushed to legal for approval. It will be a slow and steady approach to finalize.
- Prior Authorization for billing it was discussed that it would should not be a legal requirement but it would need to be checked in the
- How is Procare handling SB295? Procare is still working on their contract with Anne Arundel.
- CRISP integration - Jeff is not on the call today, no update. Ticket to CRISP, for Agency Baltimore County Fire Department. Two days ago there was a reply that there is some

**December 15, 2022**

traction being made that CRISP is trying to work to get it corrected. Matt Burgan did forward the reply from CRISP on the ticket to Jeff Huggins.

- Imagetrend: Change request went in to revisit adding the patient notes field so that it is accessible from the patient record into the EMS run form. Should be on the agenda for the first meeting in 2023.

**New Business**

- QA - With Zach having to step down as the Chair it was asked if anyone wanted to chair the committee. No one spoke up, Kathy Burroughs asked it to be tabled until next month's meeting.
- Symposium - The symposiums have seemed repetitive like the last year, even with the great speakers. Maybe do something a little different without having to reinvent the wheel. Matt Burgan and Rachael offered to assist. EMS Care submissions Jeff Huggins would be the contact. Phippin will also help out with the conference.
- Rachel is asking if anyone has any assistance for budget
- Jen had a question in the chat of if an Advanced Provider would include a RN or is it the NP/PA/Physician? Answer that it is MD, DO, PA, NP
- Matt Burgan - Anyone who has any questions about the Buprenorphine pilot Matt can set up a Q & A for the submission. There still could be changes to the protocol because this has not gone before the protocol committee but pretty confident that there will be minimal changes.
- MIH Clinician is live on licensure. Adding personnel in the run form in the CH module is still not working for the new levels for the non-certified (peer recovery, CHW, etc.)

**Good of the order**

- AACO: None
- Baltimore City: None
- Charles: Writing job descriptions and working on budgets, nothing else to report
- Frederick: None
- PG: Struggling with SB295 MCOs and the process just as everyone. Jurisdictional officials at the higher level. There is a turnover of Chiefs then it can be a struggle with who is getting the information from MCO's. Salisbury is getting them from the County.
- Dr Chizmar will assist with any new contacts QA, Charles, Salisbury adding Chris Truitt. For Talbot add Rachael Cox keeping Matt.
- Procure: Access to CRISP officially, learning how to navigate it.
- Salisbury: Steady as it goes
- Talbot: Thanks to SWIFT for the ride along on 2.0. Things are moving along, working on MOUs and working on adding MIH Clinicians.
- Worcester: No issues
- QA's: Referrals are not slowing, there will be some lapse with the holidays. Working on a new vehicle and new clinicians.
- Kathy Burroughs: None

**Mobile Integrated Health Committee  
Meeting Minutes  
December 15, 2022**

- Dr Chizmar: None

Next meeting will be January 26, 2023 1300 hours - 1500 hours.

**Adjourn**

Motion to adjourn by Chris Truitt, second by Kathy Burroughs, Motion Passed.

Meeting adjourned at 1011 hours.

Respectfully submitted by Jessica Thomas, Secretary 1/9/2023
