RE: University of Maryland Shore Medical Center at Easton - Cardiac Interventional
Center Designation

Effective February 27, 2018, the University of Maryland Shore Medical Center at Easton (UMSMCE), located at 219 South Washington Boulevard, Easton, Maryland is designated by MIEMSS as a Cardiac Interventional Center. EMS providers may transport STEMI patients that meet the criteria for transport to a Cardiac Interventional Center as directed by The Maryland Medical Protocols for EMS Providers.

Please post this notice and communicate this information to all appropriate EMS providers. If you need any further information, please contact my office at (410) 706-0880 or Lisa Myers in the Office of Cardiac and Special Programs at (410) 706-4740.

Thank you.
