Dear Sir/Madam:

Each year at the Shock Trauma Center Celebration, the R Adams Cowley Shock Trauma Center Hero Award is presented to a group of individuals whose effort in saving a life exemplifies the very best of the elite Maryland EMS & Trauma System. Individuals including, but not limited to, the 911 operator, EMS Clinicians, Shock Trauma facility and staff and rehabilitation team are honored.

We would like to ask for your assistance in nominating a case for us to showcase at the 2023 Shock Trauma Center Celebration to be held in the Fall of 2023. We are looking for a story of survival that can be attributed to response time, care received in the field, and treatment by the Shock Trauma Center. Cases involving inter-hospital transfers will also be considered.

Attached please find the Hero Award Criteria and Nomination Forms for your use.

Kindly complete and return the nomination form and any supporting documentation by **December 1, 2022** to:
